

The Alliance for Water Stewardship (AWS) Asia-Pacific supports all water users to become stewards of our most precious and scarce resource: water.

Membership of AWS Asia-Pacific is open to any individual or organisation.

### MEMBERSHIP BENEFITS

Members of AWS Asia-Pacific automatically become members of AWS International, enjoying benefits offered both at the regional and international levels including:

- Eligibility to participate in the governance of AWS Asia-Pacific and AWS International
- Consultations on the strategic development of the AWS Standard systems
- Priority access to global and regional water stewardship events
- Member discounts for training and events
- Access to AWS branding and support services

### MEMBERSHIP FEE

Membership for organisations is based on the calendar year, (1 January–31 December). Membership for individuals is based on the Australian financial year (1 July–30 June the following year). New members will be charged a pro rata fee from the date they become a member.

Annual membership fees are decided by members through multi-stakeholder decision-making at the preceding year's Annual General Meeting.

### APPLICATION PROCESS

Your membership application will be reviewed in accordance with our approval process. We will also undertake a risk assessment to ensure that your organisation does not pose a reputational risk to our global membership collaboration.

Successful applicants will be notified by e-mail.
